

Announces Its Newest Sponsor Kentucky Performance Products, LLC

The horse that matters to you matters to Kentucky Performance Products. For over 20 years the knowledgeable staff at Kentucky Performance Products has been dedicated to developing high-quality, scientifically formulated nutritional supplements. Kentucky Performance Products provides horse owners with supplements that effectively target and address the specific challenges facing their horses.

With a full line of products, including market leaders Equi-Jewel® stabilized rice bran, Neigh-Lox® Advanced complete digestive support, and Elevate® natural vitamin E. At Kentucky Performance Products, superior customer service is as important as quality ingredients and proper formulation. Their product specialists are available to answer your questions and help you decide which supplement is best for your horse.

Kentucky Performance Products stands behind their products by offering a quality assurance promise backed by a money-back guarantee. To learn more, visit KPPusa.com or call 1-800-772-1988 and ask to speak to a product specialist.
